

SANDWELL YOUTH SERVICE

Detached Teams

Detached Youth Work is targeted at vulnerable & excluded young people who mainstream youth work and services may not reach.

It takes place on young people's own territory such as streets, cafés, parks, outside shops etc. – at times that are appropriate to them and on their terms.

Predominantly, Detached Youth Work is working with young people on issues that affect them, i.e. Drugs, Alcohol, Sexual Health, Bullying, Race/Racism, Homelessness, Education or issues that may be specific to their town/area.

This work is done through activities, workshops, drama productions etc.

Youth Clubs

Centre Based Youth Provision or Youth Clubs as they are more widely known, offer young people a safe, warm, friendly place to socialise, meet new friends and have access to advice and guidance from Sandwell's qualified Youth Workers.

There are workshops available around Drugs and Alcohol, Sexual Health, Exploitation, Bullying, Self-Image, Confidence, Life Skills and any other issues faced by young people in today's society.

The clubs also have many social and recreational activities on offer such as gaming, pool, team games, multi-sports, arts and crafts etc.
